

Topic - DREAMS COME TRUE

Yes, dreams come true..
Many a times they do.
And you don't know when it's the right time for you.
Wait and pray,
That's all one can do!
Well trying won't take much of your time,
Just a year or two..
Will you choose to sacrifice an year or two,
Or stay depressed for the path ahead, The rest of your life?
What would you choose
It's upto you!
When it's time to cherish you sulk
or share your joy with others.
What would you choose
It's upto you!
Would you prefer to leave regrets with sadness,
or gratification and contentment?
What would you choose
It's upto you!
These are some choices where
it's your choice be wise
And choose the right!
