

Dear Parent

With the ongoing unprecedented scenario of the pandemic Covid 19, the only access to the world is through the internet window. Using technology without the knowledge or information of cyber security rules could be risky. It's essential that personal information on different internet platforms remains secure. To update you on the same the Management of Presentation Convent Sr. Sec. School has organized an online webinar, especially for students and their mothers from classes VI to XII on Cyber Safety. The resource person is an expert on the subject.
