

SOF CIRCULAR

Dear Parents,

The current year is undergoing unprecedented changes and the educational organizations are trying their level best to keep their learners abreast with new ways of imparting knowledge. In this regard the school is hosting **ONLY SCIENCE (NSO) AND MATHEMATICS (IMO) OLYMPIADS for Classes 4-12**, conducted by SOF foundation. The Science Olympiad Foundation (SOF) is an Educational Organization popularizing academic competition and assisting development of competitive spirit among school children.

Features of the Olympiad.

- ✓ They are based on grade - level subject matter.
- ✓ The format is objective type where the students have to choose the correct answer from choices given.
- ✓ These Olympiads are optional and will totally be by the choice of the child and the parent.
- ✓ The child can appear for any one subject or both.

REGISTRATION FEE – Rs.150 per student per Olympiad exam. (Additional Rs. 80 per E-book)
