

*'A parent is a teacher at home and a teacher is a parent at school and the child is the center of their universe.'*

As we struggled to come to terms with the circumstances, where a pandemic of this magnitude has derailed the best of planning in the whole world, we looked for ways and means to minimize the academic loss of our students, which can be achieved with the collaborative efforts of the school and parents. Presentation Convent Senior Secondary School organized an Interactive Session for the parents on 22 April, 2021. The aim of the programme was not only to apprise the students and their parents of the important information about the new academic session 2021-22 but also to help the students to sail through the ongoing challenges smoothly and remain motivated throughout the online classes.

They were acquainted with the online rules, that the students are expected to follow during the online class, teaching pedagogy, class timetable, notebook uploading schedule, followed by the evaluation pattern. The students were told the importance of attending the classes regularly and diligently.

The session was highly appreciated by the parents as it catered to a lot of unanswered queries about the teaching- learning process.
