

Dear Students,

I hope that you are well rested and excited to continue your classes for the present academic session. The month of May and June are usually associated with the memory of quick detours around the city and lengthy visits to ones hometown. This year, much like the previous one has robbed us of such joys. Yet it's necessary to remain optimistic and open a window in a dark room. Sometimes even the mere act of doing our day to day chores and continuing with a schedule can be seen to be productive. So I urge you to reach out and grab this chapter of opportunities with undeniable zest and enthusiasm.

I am happy to welcome you back to online classes from **10 June, 2021**. I hope you bring your best to the table and are successful in your endeavours.

All the best!

God bless you all.

Stay safe and stay healthy.

Principal
