

PRESENTATION CONVENT SR. SEC. SCHOOL  
S.P. MUKHERJEE MARG, DELHI- 06

PCS/ADM/CIR/2021-22/4

01/03/2022

Dear Parents/Guardians

**“Times change, we need to change as well.”** Nelson Mandela.

The period of pandemic Covid 19, has taught us that there is nothing permanent except change. When time and situations change we need to make the necessary changes in order not to allow things and situations control our power to reach destinations that awaits us.

Having gone through a different style of education system for the last two years most of us are quite comfortable, staying within the four walls of our homes and managing things from home. It is natural to feel discomfort to come back to normalcy by attending school once again. On the other hand the excitement of a normal schooling beckons everyone with aspiring on their feet.

As another academic year comes to a close we recall with gratitude the times we stood strong and brave, embracing changes, difficulties and opportunities that came on our way that refined us to be what we are today. We remember all the wonderful things that happened, the new learning experiences, many accomplishments and losses which were part of our lives that invited us to introspect on our value systems.

The words of famous Late Lata Mangeshkar is worth reflecting on, ***“This is life, no matter what you own, at the end you go empty handed, be kind, help anyone you can...avoid valuing people for their wealth and power...love all human being, treasure the ones who are there for you, don't hurt anyone, be good, do good because only that will go with you...”***

Coming to the activities of the year, the ***Annual School Magazine ‘Anjali’*** released recently made us proud of the contributions of our budding poets, writers, IT specialist in compiling and designing the same. Their creativity and imagination makes the reader to transcend to a different world. We take delight in announcing that our school has been recertified by BSI as we continue to be an ISO certified school.

We are happy to share with you the forth coming important dates and activities:

- Offline Pre-Board examinations for classes X & XII begins from 2 March, 2022. The date sheet is already uploaded in the respective platforms for your reference.
- PTM for classes KG – IX & XI are as follows:

KG, IX & XI	19 March 2022
I – III	21 March 2022
IV & V	22 March 2022
VI – VIII	23 March 2022

- School has made arrangements for purchase of books and school uniform on the days of PTM for respective classes.
- ***The new Academic Session (2022-23) will commence from Monday, 4 April 2022 and will follow summer timing.***

The selection of second language in class IX between Hindi and Sanskrit was offered to students prior to the examination. However, they were not many students who selected Sanskrit as the second language. Therefore, the school will consider only Hindi as the second language for all students in the academic year 2022-23.

Despite numerous efforts put in by the school management there haven't been any positive reply from the Delhi Transport Department. So, the school is unable to provide any transport facility for the students. However, we appreciate the efforts of those parents who have volunteered to take the plea to the Government.

***Vaccination of second dose for students of 15 years and above (classes IX - XII) will be on 16 March 2022. Time is from 9 am to 1 pm. kindly make avail of this opportunity to get your ward vaccinated on the given day and time.***

***"No matter how hard the past is, you can always begin again"*** Budha. Thank you for all your contributions, co-operations and hard work put in to improve personal and school life in the past. We wish every one of you God's blessings and His providential care to begin a new with greater confidence and trust in self and in God.

Blessings!!

Sr. Regi Joseph

Principal
