Dear Parents

As per the guidelines issued by the Govt. of NCT of Delhi, we will resume classes in physical mode (offline) w.e.f. Monday, 4 April 2022. As informed earlier, DTC has terminated its contract with all the schools in Delhi including Presentation Convent Sr. Sec. School. School transport (DTC service) will not be available for students as per the communication received from the MD, though we have made initiatives with the officials regarding reconsideration of transport facility to our school. Hence the need arises for parents to organize themselves and arrange the mode of conveyance for their wards to commute school to and from in the new academic session beginning from 04 April 2022.

The school will not be providing any transport for the students therefore we request parents to arrange safe mode of transport for your ward. While making long term arrangements kindly make sure that you follow the standard guidelines issued by the transport authority given below:

1. Ensure that you meet the driver/owner of the vehicle.
2. Verify the identity from the area SHO and inform them the Vehicle No. and name of the driver, address and contact number of the driver/owner and the licence and RC No.
3. Make sure that the driver strictly follows the rules laid down by the Hon'ble Supreme Court of India.

Safety and security of your ward is in your hands by being vigilant and alert.

We look forward to your full cooperation and support.

Blessings
