Dear Parents/Guardians

Greetings!

‘Take the first step *in faith*, you don’t have to see the whole staircase, just *take the first step*.’

-Martin Luther King Jr.-

As we commence the new academic session, it is crucial to begin by believing in the supreme power and being grateful for all the blessings bestowed upon us in the last academic year. It’s time, yet again, to take the first step with faith that the rest of the staircase is there and that we will be able to accomplish our goals and reach our destination.

It is essentially in our hands to have faith, and believe that the Universe will provide the necessary steps for our journey. What is important is the fact that one should embrace the journey and the unknown, having belief and taking consistent actions, but never quitting. The staircase to a bright future is already built; it’s only the step that we need to take. Let’s start afresh with new goals, new challenges, and new opportunities. It’s the time to experience and learn new things.

The last academic year was challenging, yet fulfilling. We take this opportunity to express our gratitude for your constant support and cooperation in the functioning of the school in this unprecedented pandemic period. It would not have been possible to carry out a number of activities for our students without your availability and willingness to be on the side of your ward and the school. With this new session just round the corner, we would like to apprise you with the upcoming activities:

Keep your beginning focused, optimistic and full of dedication. Another fresh year at school is a chance to begin your life anew, with new goals and new challenges.

Best wishes for the new academic session 2022-23.

Blessings!
