Dear Parents/Guardians

Greetings!

“Education awakens the power and beauty that lie within us”.

We at Presentation Convent Sr. Sec. School believe in fostering an academic excellence that synchronizes Hand (skills), Head (intellect) and Heart (Value System). In the present global era of intelligent retrieval, the biggest challenge before educators and parents is to nurture the young minds with an indelible impression of Holistic Education. We inculcate in our students the value of education, placing equal emphasis on Academics, Sports, Life Skills, Health & Hygiene, Emotional and Spiritual wellbeing.

Keeping in mind the global trends in education, we include technology with the facilities of e-learning, good infrastructure, well-equipped classrooms & laboratories, upgraded library & computer labs and empower our staff with seminars, workshops and skill sessions.

To enable the students to stay connected and to engage them creatively and constructively, the school buzzed with innumerable skill-based fun activities before and during the summer break such as an online cake baking session, Lippen Art Session etc. Enlightened leadership session for the empowerment of Student Council 2022–23 was organised with the aim to enhance leadership qualities in our students, enabling them to take up responsibilities in their own areas of involvement.

We would like to keep you updated about the upcoming activities:

- Workshop for staff on 30 June and 01 July 2022.
- The school reopens on 04 July 2022.
- The Periodic Test I for classes I-X & XII will begin from Wednesday, 06 July 2022.
- To inculcate 21st century competencies and enrich the knowledge of our students beyond the text, an Enrichment Worksheet will be sent every Friday from the month of July for classes KG–XII.
- Kindly ensure that the Holiday Homework, which is a part of the assessment, is submitted by your ward as per the date given for submission by the respective subject teachers for grading and evaluation.
