We at Presentation Convent, as a socially responsible institution, are committed to providing a safe, secure and holistic environment following our vision '...to build a just and caring society'.

The school bustled with innumerable activities, both intra and inter-school events, in the past two months. We are happy to share some significant achievements of the school and the endeavours of our students as they continue to 'Soar High' in different activities and competitions. We are also pleased to inform you that this year too, our students of classes X and XII, who appeared for the CBSE Board examination 2021-22, made us proud by acing the exams.

In the months of July and August, the school was the host to three interschool events: *Bailamos Fiesta De Bailar: Inter School Dance Fest*; *22nd Annual Eco Club Interschool Event* and first and one of its kind, the *1st Interschool SDG Quiz Competition*. The events witnessed the participation of many schools across Delhi. It was indeed the hard work of the students and teachers that events of such stature and repute were hosted with ease and perfection.

The Annual Award Ceremony for the Session 2021-22 was organised on 10 August 2021 to honour the achievements of meritorious students of classes X and XII. It was a formal ceremony which was presided over by distinguished guests and attended by teachers, and students.

With the aim of developing the physical, mental and intellectual skills of our students, 'No Bag Day' was observed. Numerous extra-curricular, team-building and house activities were held for students.

The achievements and accomplishments of our students are plenty and we have shared them on our school website for your perusal. We are certain that they will infuse you with a sense of pride.
