Dear Parent/Guardian

At the onset, I would like to thank you for your unwavering support to the school for the growth and development of your child. I am particularly appreciative of your whole hearted participation at Parent-teacher Meeting. Your worthy suggestions and time-to-time feedback have definitely added value to the existing system of teaching and learning. Your commitment to your daughter's academic and personal growth is praiseworthy, and I am sanguine that your precious involvement will continue throughout this academic session.

The month of April was a busy one, but the students embraced the new academic session with vigour and enthusiasm. We are pleased to inform you that we were able to complete all the activities planned for the months of April and May of which some of the important events are as follows:

- The Investiture Ceremony saw a new vibrant Student Council taking on the onerous responsibility of leading the school.
- Founder's Day Assembly was organised to give a befitting tribute to the founder of the school, Venerable Nano Nagle, reminding all of us of the rich legacy we are proud custodians of to take it forward.
- The Solo Dance Competition provided a platform to the Primary school students to showcase their creativity, so also the Inter-house Sports Activities for different categories to instil in the students the spirit of competition and sportsmanship.
- The academic and extracurricular achievements of our pupils were treasured and acknowledged through the Award and Reward Ceremonies for classes I–IX and XI (2022–23).
- The hard work and dedication of the students of classes X and XII paid off in the form of outstanding CBSE board results. We could not have achieved this without your support.
