04-09-2023

Dear Parent/Guardian

With the world as our laboratory, education is the lens through which we decipher the intricate patterns of transformation that unfold with each passing instant.

In today's world, it is more important than ever for students to be able to think critically, solve problems and communicate effectively. Apart from developing a strong moral compass and a sense of purpose in life, students have to be prepared for a world that is growing and changing with every nanosecond, to be a 21st century girl.

The months of July and August was a time of both engaging and rewarding accomplishments for the students. We were able to organise different activities planned for each class according to the new academic calendar, which included the Inter-House Dance Fest – Bailamos Fiesta de Bailar and a weeklong celebration of Vanmahotsav.

The school played host to two significant inter-school events: the 26th Nano Nagle Inter-school Debate Competition and the inaugural inter-school competition, EXODUS. Numerous schools from across Delhi took part in these events. The successful hosting of these events can be attributed to the diligent efforts of both students and teachers, ensuring flawless execution and organisation. The achievements and successes of our students await your exploration on our school website.

We would also like to inform you that the school has recently completed the renovation of the basketball court, which is now equipped to function as both a basketball court and a skating rink. Furthermore, we inaugurated our new dance studio, where students can nurture their artistic talents. Additionally, we are delighted to update you that coaching sessions for skating have begun, catering to students from classes I to XII.

A farewell program was conducted for two of our esteemed teachers, Ms. Sunita Wadhawan and Ms. Meenakshi Chaturvedi, who dedicated 35 years and 9 years of service to our institution respectively. Their remarkable contributions and dedication were celebrated as they embarked on a new chapter.

The school conducted a comprehensive health and wellness session, tailored for various classes, aimed at promoting overall well-being among students. In addition, self-defence training sessions were also organised to empower students with essential skills for personal safety.

The Award Ceremony for the session 2022-23 was organised on 14 August 2023 to honour the achievements of meritorious students of classes X and XII. A Personality Contest was hosted by the students of classes XI and XII to highlight the importance of English communication skills and inspire their confidence, wit and spontaneity.

The tiny tots of kindergarten were engaged in various special assemblies like Independence Day, Raksha Bandhan, Teachers' Day and activities such as fancy dress and Hindi recitation, to name a few. They had a fun-filled day as they celebrated Ice Cream Day.

The students of primary school showcased their talents through various activities like poetry recitation, fancy dress competitions, handwriting competition, inter-class solo dance competition, book cover designing, Math shape city activity, anti-polybag campaign etc. The Van Mahotsav week was celebrated with joy and enthusiasm as various classes indulged in a variety of activities. The daily assemblies served as the perfect platform for the students to develop their skills of speaking along with creating awareness on various topics.

An external audit was conducted by BSI on 23 August 2023.

To honour and express their gratitude to their teachers the students put up a touching and spectacular show on the occasion of Teachers' Day.

We would like to provide you with regular updates on upcoming events and activities.

- The Mid-Term Examination for classes I-XII will begin on Monday, 11 September 2023.
- The Parent-Teacher Meeting will be held on Friday, 27 October 2023.

Kindly make sure to stay informed of all school activities by checking the Campus Care Parent Portal. All school-related information will be communicated through this medium.

School will remain closed from 7 – 10 September 2023. Assist your ward in the judicious use of time in preparing for the upcoming exams.

In conclusion, I would like to reiterate my heartfelt thanks for your ongoing support and collaboration in the demanding endeavour of moulding the future pioneers of tomorrow.

Blessings!

Sr Regi Joseph
